

PARENT – TEACHER COMMITTEE

Parent involvement is important to every school; parents can be involved in their children's education in many ways. The PTC made up of dedicated parents, grandparents, teacher, administrators and many other who continue to work together to support educational system. The PTC exists to enhance the educational experiences of our children and to offer parents and teachers the opportunity to work together in our community.

In the PTE, discussion will be made on performance of children class wise, the new innovative implements in the education and about the facilities required for the students.
